## Past Events

What a year it has been!

T'was the Night before New Years, when all through the club  
The magicians were stirring with fond memories of our hub.  
The workshops were plenty to the members' delight,  
With lectures and a swap meet and creatures of the night.

The Juniors were practicing magic and not going to bed,  
While visions of routines danced in their head.  
And the voice of Van Horne, calling a number  
Because you didn't win, oh what a bummer.

We've gone to the meetings to listen to Jay chatter  
About picnics and lectures and all that matters.  
And away to the meetings, our members do dash  
To listen to lectures from magicians with class.

And who to our amazement should appear  
Seven lecturers to round out our year!  
Now Jany! Now Suds! Now, Danny and Tim!  
On Aldo with Rachel and Pop and then Phil!  
Speak to the members and teach them what you will!

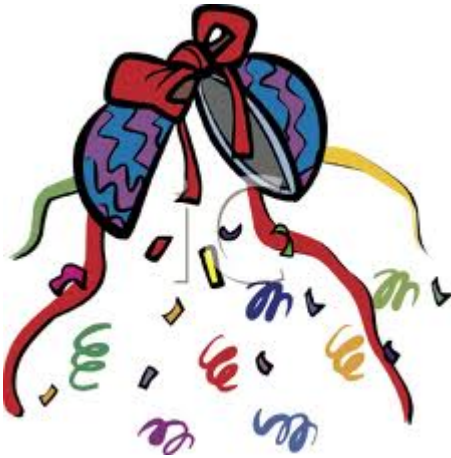

*Happy New Year to all and to all a good night!!*

## Fare thee well, my friends

After 2 wonderful years of writing and editing for you, it is time to hang my hat. I've always subscribed to the ideal that family comes first. And although I loved bringing you the latest in Ring 313 news, I need to focus on growing my own crop of magicians. Kent and I will continue to contribute to the newsletter as much as we can and we will continue to participate in club events as much as we can, but you know, it is difficult with babies and toddlers.

So, with a heavy heart, I bid adieu. I've always felt like you were part of my family in some strange way. There's a magician in every family right? It has been a great 2 years and I thank all of you for indulging me in my insanity.

-Annie

### JUNIOR'S CORNER

Our Junior Magicians are working hard to bring you a performance of a lifetime.

It will be spectacular (when we get it done). If you are dying to see our junior's work before then, we will be at the Great Park in Irvine on New Year's Eve @5pm. We will be doing walk around and teaching magic at our booth. Come visit us! (Parking is \$10).
